## Step-by-Step Animoto Directions

www.animoto.com

What is Animoto? Animoto is a web-based tool that allows users create and customize a video of photos, music, and background to post to Facebook, download, or email to your friends.

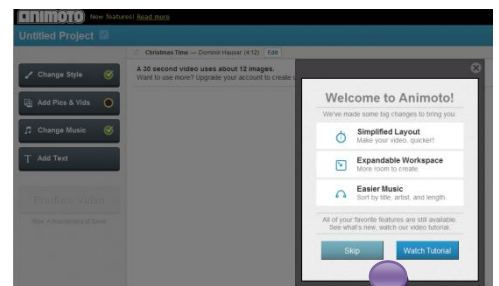

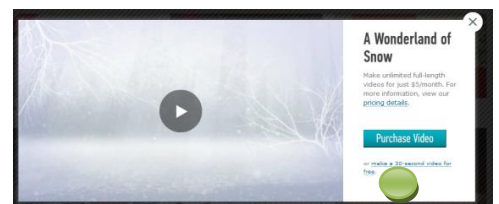

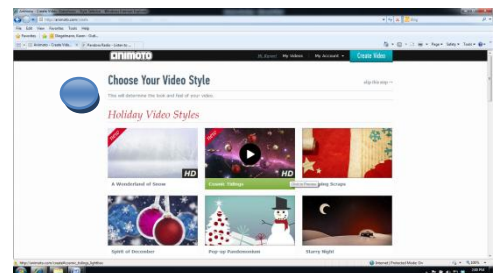

Step I. Sign up for Animoto

1. Go to **www.animoto.com.** Scroll to bottom left of page. 🔴

2. Enter your email address. 🟠
3. Create a password.
4. Type the same password into the confirm box. 🔵
5. Enter your first and last name. 🟢
6. Enter date of birth and click on male or female. 🟣
7. Click on Sign Up button. 🔴

8. You are ready to start a video. Click on Get Started. 🟠

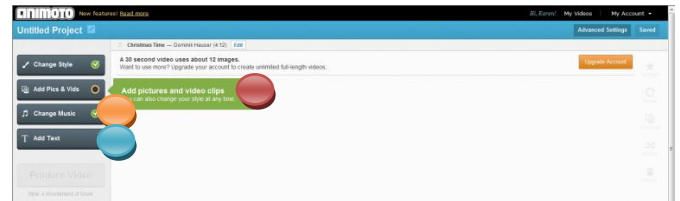

Step II. Begin creating.

1. Choose you video style. Scroll down, there are many choices. 🔵

2. Be careful here: The blue rectangle is trying to ask you to buy extra video time.
3. Under the blue rectangle click on: <u>or make a 30 second video for free.</u> 🟢

4. Here you can watch or Skip the tutorial. 🟣
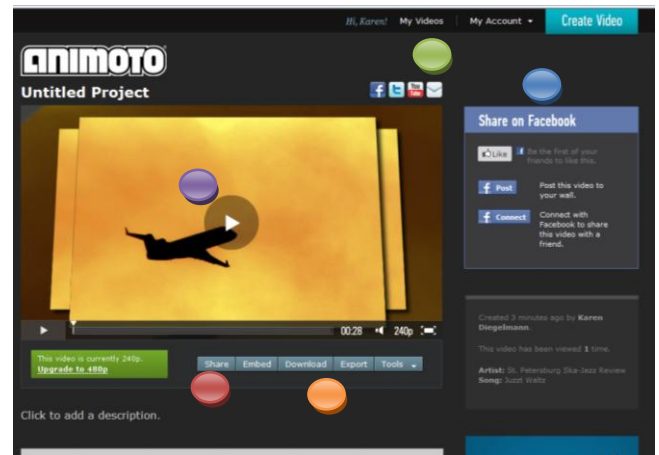

5. Add pictures and videos from your computer. ⬤
   (It will use about 12 pictures for a 30 second video).
6. Choose your music. ⬤
7. You can add a title and text. ⬤

8. Produce your video. ⬤

9. Watch your video. ⬤
10. To email, use the Share button. ⬤
11. You can Share, Download to your computer,
    Export, … ⬤
12. Post or share your video on Facebook. ⬤

13. Keep track of your videos. ⬤
